Mass Recruitment Services

Mission Hiring Hall offers a comprehensive workforce development service that provide employers complete facilitation of the mass recruitment process – with the added feature to deliver target area or population focused outreach. Our experience with mass recruitment begins with event coordination and includes space acquisition, pre-screening applicants and job-applications, scheduling interviews, station set-up, entrance-exit flow, post-event follow-up and reporting.

Compliance Readiness Assistance

MHH's working knowledge of workforce compliance in San Francisco translates to real opportunities for resident jobseekers by the access it creates to companies that target their participation. In return, by recruiting through MHH, contractors and tenant employers in a publicly funded project receive targeted recruitment services that help to establish their "good faith effort" in meeting their hiring goals. MHH's experience in working with Compliance Monitors from various City departments and agencies and can assist a company's recruitment staff to navigate through unfamiliar compliance procedures including the First Source Hiring Administration and San Francisco's Local Hiring Ordinance.
