

## CityBuild Academy

### Short Description/Excerpt

### Description

### What is CityBuild

CityBuild Academy is an 18 week pre-apprenticeship program that teaches and trains San Francisco residents about a number of construction trades. CityBuild Academy is not only a hands on course but has a rigorous academic schedule as well. Students enrolled in the course will have in-classroom and practical experience, giving them marketable skills and a competitive edge in the bustling construction industry.
